CLASSES

EVENTS

- Color Tips & Techniques: Learn a variety of color knitting techniques including slip stitch patterns, intarsia, fair isle (stranded knitting), and duplicate stitch, while working on a pair of luxury "Sea Socks" specially designed for this cruise.
- Stitch Dr. Secrets: Learn to unravel without fear, recross missed cables, "unknit," seamlessly add length to a too-short piece, and much more.
- Crochet for Knitters: Expand your yarny skills and become a "Happy Hooker."
- Designing your first sweater: Put on your propeller beanie and let's do some math together. Before you know it you'll have drafted your first pattern, and you'll understand your pre-written patterns like never before!
- Beach Bag: In this project class we'll work on a quick and easy openwork cotton bag that can be done in time to tote it with you to the beach in port!
- Double Knitting: Learn the skill of double knitting and knit two layers at once! In this class we'll begin work on an awesome argyle scarf that shows one set of colors on one side, and the opposite on the other.
- Bead it: Learn to knit with beads and make a quick and easy beaded pulsewarmer with a seafaring motif!
- Lace: The Hole Story: Never knit lace before? Now's the time to try. In this class you'll learn all the basics of lace knitting, and work on a sampler of lace stitches.
- & MANY MORE CLASSES TO BE ANNOUNCED!
- Stitch & Bitch at Sea: Nightly knitting get-togethers in various locations on board the ship--from the serene, to the wacky (Karaoke knitting, anyone?)
- Stitch & Bitch Trunk Show and Book Signing: Debbie Stoller will show off some of the projects from her latest books and sign copies of books. Surprise gift giveaways, too!
- Private Sip & Stitch Cocktail Party
- Yarn Tasting: Come try out some of the latest and greatest new yarns
- The Stitch Dr. Is In: Help for troubled projects
- & MUCH MORE!
